

This is the Place (We Call It Home)

Don Gnecco

There are lots of mem'ries within these walls,
Christmases and birthdays, and Thanksgiving in the Fall.
Many tears and laughter, but no matter where we roam,
There will always be this place called home.

*This is the place; we call it home.
Where friends and family are welcome day and night.
This is the place where I can be myself.
And when I'm in this place I feel at home.*

There've been lots of good times in this place.
Times with friends and fam'ly that the sad times can't erase.
This is the place we gather, and now I understand
Why our fam'ly loves this land.

*This is the place; we call it home.
Where friends and family are welcome day and night.
This is the place where I can be myself.
And when I'm in this place I feel at home.*

(Modulation)

*This is the place; we call it home.
Where friends and family are welcome day and night.
This is the place where I can be myself.
And when I'm in this place I feel at home.*

*This is the place; we call it home.
Where friends and family are welcome day and night.
This is the place where I can be myself.
And when I'm in this place I feel at home.
And when I'm in this place I know I'm home.*
