

# I Can't Wait for Christmas Night

Don Gnecco

I can't wait for Christmas night;  
Tinsel and candles and colored lights.  
Laughter and music in the air,  
The magic of Christmas is ev'rywhere you look,  
There's lots to see:  
A shining star atop each tree.  
Santas and snowmen and sleigh bells ring.  
Christmas carols that the children sing.

The wonder that's in Christmas  
And all that it can be,  
Takes me back so many years  
To the child inside of me.

## *Instrumental*

The wonder that's in Christmas  
And all that it can be,  
Takes me back so many years  
To the child inside of me.

Christmas time is drawing near,  
It's my fav'rite time of year.  
The bustle, the presents, the candlelight.  
I can't wait for Christmas night.

I can't wait. No, I can't wait.  
I can't wait for Christmas night.
